DRESS FOR SUCCESS®

THE DRESS FOR SUCCESS PROFESSIONAL WOMEN'S GROUP PROVIDES WOMEN WITH SUPPORT, PRACTICAL INFORMATION AND INSPIRATION TO ACHIEVE SELF-DEFINED SUCCESS IN CAREER AND LIFE.

LEARNING/PROFESSIONAL DEVELOPMENT

The Professional Women's Group is an inclusive and positive environment for newly-working women to gain practical skills and information on topics relevant to their careers and lives.

NETWORK OF SUPPORT

Through the Professional Women's Group, women form a network of colleagues and friends who support and encourage each other.

FOCUS ON THEMSELVES

Because the majority of Professional Women's Group members are caretakers for children and/or other family members, the group offers a rare opportunity to focus on their personal goals and development.

COMMUNITY LEADERS

Employment retention is just the first step of the Professional Women's Group. The ultimate goal is to develop women leaders who not only achieve self-defined success in their professional and personal lives, but also give back to their communities and mentor other women.

FAMILIES/CHILDREN

The Professional Women's Group helps women create healthy, empowering homes for their children and become role models of success for the next generation.
